

Regina Motocross Club

Regina, Saskatchewan

The Regina Motocross Club is one of the largest and most active, non-profit riding groups in the province. Established since 1975, we have been flourishing with over 200 members, not including the additional family members and the hundreds of spectators and riders that travel to our track yearly. We reach over 2,500 followers across our social media platforms.

The Regina Motocross Club is part of the Saskatchewan Motosport Association (SMA) and is the only facility in Regina and surrounding areas for this type of recreation. Our facility will be home to one provincial race this season – September 12 & 13, 2026. Last year we hosted our first 3-hour team race, which was very well received and fun for any skill level. We hope to continue this fun race as a yearly event. In the past we have held national events and plan to host these high-profile races again in the future, as well as more grassroots style events that anyone can take part in.

Our facility offers a large variety of tracks for all ages, skill levels, and subdivision of the sport. We work consistently to improve our facility for our riders and families, to ensure it has a mix of safety, challenges and fun. We work to be the best off-road motorcycle facility in Saskatchewan, bringing in riders from neighbouring provinces. We strongly maintain an active presence within our community and act as a positive role model for others within the sport.

Currently, we are working hard to raise funding to continue maintaining and improving our facility. In addition to standard monetary sponsorships, we also accept sponsorship in the form of equipment and discounts. We need equipment such as tractors, ride-on mowers, tillers, and land-working equipment. To continue with some of our events, we need to purchase timing and scoring equipment. In addition, we need to do such things as sprinkler system improvements, upgrades to our tracks, fencing, and painting. Also, we are looking to upgrade our playground equipment and would like to build some shade structures, for a more family-friendly atmosphere. We also plan to promote the sport in new innovative ways this season to have more youth and families get involved in the fun. We are looking for sponsors to help us sustain a great riding experience for our riders and families and grow our community of riders.

If you are willing to help us with sponsorship, please see the following page for details. Large and small contributions alike, your generosity means the world to us, and is what allows us to maintain and improve our facility. The support from our sponsors has helped us run this club for almost fifty years!

Any questions about the sponsorship or if you're interested in being a sponsor, please contact us at info@reginamotocross.com and a board member will follow up with you.

Sincerely,

The Regina Motocross Club
